PER CURIAM.

Louie W. Crandall appeals from the district court's<sup>1</sup> grant of summary judgment in favor of Dr. Mark Catron, Sheriff William Pierce, and Jasper County in this 42

---

<sup>1</sup>The HONORABLE DEAN WHIPPLE, United States District Judge for the Western District of Missouri.

U.S.C. § 1983 action. Crandall claimed that while he was detained at the county jail, he was deprived of his constitutional rights related to his medical needs. The district court granted summary judgment, concluding Crandall failed to establish a serious

medical need. After careful review of the record, we affirm for the reasons stated by the district court. See 8th Cir. R. 47B.
